

Somali Covid-19 Vaccine Community Conversations

Presented By:
Anisa Ibrahim, MD

Medical Director, Harborview
Medical Center
Pediatrics Clinic
Assistant Professor of Pediatrics,
University of Washington
Board of Directors, Somali Health
Board
Seattle, WA

Join Immunize Colorado and Dr. Anisa Ibrahim for a community-centered presentation and discussion of Covid-19 vaccines in Somali!

During the event, Dr. Ibrahim will present information on Covid-19 vaccines, share Colorado-based resources and answer questions from community members. Please feel free to share with your networks! To RSVP and submit questions ahead of time, please email amy.bell@coloradoimmunitycorps.org. Zoom and call-in information below!
